

ČLANICAM SZS

Pošiljamo vam naslednjo številko Informacij SZS št. 127/18, ki zajema:

1. Razpis KPPS za izbor organizatorja DP mešanih parov 10m v letu 2018,
2. Razpis KPPS za izbor organizatorjev tekmovanj na 10m v sezoni 2018/19,
3. ISSF skupščina 2018 - poziv za predloge članov komisij v ISSF,
4. Trenerska komisija SZS - razpis za najem Sius tarč SZS.

1. Razpis KPPS za izbor organizatorja DP mešanih parov 10m v letu 2018

Komisija za puško, pištolo in samostrel SZS ponovno objavlja razpis za izbor organizatorja DP mešanih parov z zračno puško in pištolo 10m 2018, saj na prvi razpis z dne 22.3. (rok za prijavo je potekel 15.4.) ni prispela nobena ponudba.

Zaradi navedenega KPPS Predsedstvu SZS predlaga, da se razpis ponovi in spremeni koledar SZS tako, da se DP mešanih parov prestavi iz 2.-3.6. na 22. in 23. september 2018. DP s samostrelom pa se bo iz 22.-23.9. prestavilo na nedeljo 30. septembra. S tem bi dobili enega redkih prostih vikendov za izvedbo DP mešanih parov na 10m v jeseni 2018.

KPPS je po zadnjem DP z zračnim orožjem v Gorišnici pripravila analizo potencialnih udeležencev DP mešanih parov, s katero ugotavlja, da ima pogoje za nastop izpolnjenih 58 parov s 116 nastopajočimi strelci, od tega pri mladincih iz 22 različnih društev ter pri članih iz 20 društev, s pištolo oziroma puško. V prilogi vam v vednost pošiljamo analizo KPPS in vas vabimo, da se ustrezno pripravite na premierno tekmo DP v olimpijski disciplini mešanih parov v letu 2018. Ob tem KPPS članicam SZS sporoča, da je v analizi izpolnjenih norm za DP uporabila imena navedenih posameznikov zgolj za informacijo o največjem možnem številu nastopajočih parov na DP in s to analizo ne prejudicira nastopajočih posameznikov na DP.

KPPS tako vabi vsa zainteresirana društva k posredovanju kandidatur, **najkasneje do nedelje 17.6.2018** na e-poštni naslov SZS. Kandidature morajo biti skladne z določbami Pravilnika o Državnih prvenstvih RS. Za dodatna pojasnila smo vam na razpolago in vas lepo pozdravljamo.

2. Razpis KPPS za izbor organizatorjev tekmovanj na 10m v sezoni 2018/19

Komisija za puško, pištolo in samostrel SZS objavlja poziv in razpis za izbor organizatorjev tekmovanj z zračnim orožjem na 10 m v sezoni 2018/19 za sledeča tekmovanja:

- tri kvalifikacijske turnirje,
- šest turnirjev Državne lige,
- Univerzitetno državno prvenstvo.
- Kvalifikacije za 1.B državno ligo,
- Državno tekmovanje veteranov,
- 28. DP članov in mladincev 10m 2018,
- 28. DP kadetov, pionirjev, mlajših pionirjev in cicibanov 10m 2018 ter

- 2. DP mešanih parov.

Vsa zainteresirana društva vabimo k posredovanju kandidatur najkasneje do **nedelje 17.6.2018** na e-poštni naslov SZS. Organizatorji morajo v svoji prijavi (ponudbi) dati izrecno izjavo o možnem izvajanju promocije partnerjev SZS v največji možni meri.

Po izboru organizatorjev na seji KPPS bodo kandidati za organizacijo tekmovanj obveščeni o uspešnosti svojih kandidatur.

V kolikor potrebujete dodatne informacije in pomoč za pripravo korektnih kandidatur (ne zgolj spiskov želja) se lahko obrnete na strokovno službo SZS.

3. ISSF skupščina 2018 - poziv članicam SZS za predloge kandidatov za člane komisij ISSF

Skladno s priloženim obvestilom ISSF z dne 11.4.2018, Predsedstvo SZS poziva članice SZS za predloge kandidatov za člane komisij ISSF. Predloge kandidatov pošljite na priloženem obrazcu, skupaj z življenjepisom in sliko predlaganega kandidata, na e-poštni naslov SZS **najkasneje do srede 1.8.2018.**

4. Trenerska komisija SZS - razpis za najem Sius tarč SZS

Trenerska komisija SZS članice SZS obvešča o sklepu, ki ga je sprejela na svoji zadnji 3.seji, dne 15.5.2018. Trenerska komisija SZS se je seznanila s problematiko uporabe Sius tarč SZS ter zavzela stališče, da je tarče treba temeljito servisirati in obnoviti, nato pa se lahko tarče ponudijo v najem članicam SZS s plačilom določenega minimalnega nadomestila. Škodo iz uporabe Sius tarč bo kril tisti, ki bo škodo povzročil. Smo pa v zadnjem obdobju zaznali veliko malomarnega ravnanja s tarčami in številne pomanjkljivosti tarč (manjkajoči deli), povzročene s strani najemnikov. Škodo na tarčah je bilo zahtevno odpravljati neposredno pred oz. med tekmovanjem in je botrovala številnim zapletom, ki smo jim bili priča.

Skladno z navedenim Trenerska komisija SZS pošilja članicam SZS ponudbo za najem desetih Sius tarč SZS. Prednost pri najemu posamičnih tarč bodo imele tiste članice SZS, ki še nimajo elektronskih tarč in imajo v svojih vrstah reprezentante.

Povpraševanje in prijave za najem tarč pošljite na e-poštni naslov SZS **najkasneje do nedelje 10.6.2018.** Nato bo Trenerska komisija pripravila prednostno listo najemnikov in jih o tem obvestila.

Želimo vam prijetno prebiranje strelskih novic in uspešnih nastopov na številnih tekmovanjih.

Strelski pozdrav!

29th September 2018.

Furthermore, the Administrative Council will elect ISSF Section Committee members during its meeting on 2 December 2018. We have enclosed a **Section Committee Nomination Form** and kindly ask that if your federation wants to nominate candidates for ISSF Section Committees for the 2018-2020 term of office to complete and submit one **Section Committee Nomination Form** for each person and position. Again, we encourage all Member Federations to propose female candidates to support ISSF efforts to achieve greater equality in our Section Committees. All nominations for the election or re-election of committee members must be received by the ISSF Secretary General not later than two (2) months before or not later than

1st October 2018.

All member federations are kindly reminded that when they nominate a new candidate, an accompanying statement of the candidate's qualifications for that position must also be submitted. Member Federations must submit the **Nomination Form** or **Section Committee Nomination Form** and curriculum vitae, including a recent photo of the candidate, to the Secretary General at least two months in advance. The Secretary General will prepare lists of candidates for each position and circulate copies of these documents to Member Federations at least four weeks in advance of the election. Please submit your nominations and documents as soon as possible so that our office can prepare for the elections.

The 68th ISSF General Assembly will have to make several decisions regarding future World Championships. One decision will be to decide a host federation for the 2019 Shotgun World Championship. The ISSF has already received four candidate applications for this Championship, but other interested federations may also submit applications.

The 68th ISSF General Assembly must also vote on a proposal to change the World Championship calendar. Then, depending upon that decision, the Assembly must decide host federations for future Championships. In every four-year Olympic cycle, the ISSF currently has one World Championship All Events and two additional Shotgun

only World Championships. Many ISSF Member Federations submitted recommendations for an additional World Championship All Events, for equal World Championship opportunities for all Shooting disciplines, and for separate Junior World Championships in all events.

The ISSF Executive Committee studied these recommendations and prepared a comprehensive recommendation to the 68th ISSF General Assembly to amend Art. 3.2.2 of the General Regulations and change the World Championship calendar, starting in the year 2020, to provide for:

- **World Championship All Events** in every odd-numbered year (for seniors only, 2021, 2023, 2025, etc.).
- **Junior World Championships All Events** in every even numbered year (2020, 2022, 2024, etc.).

If the 68th ISSF General Assembly approves this proposal, there will be one World Championship, Senior or Junior, every year. This plan will equalize the World Championships for Rifle, Pistol, Shotgun and Running Target. The plan requires that each discipline, Rifle, Pistol, Shotgun and Running Target, would have the same numbers of World Championships in each four-year Olympic cycle. Most importantly, it would emphasize the future development of Shooting by establishing separate Junior World Championships. This has become necessary because including junior events in the World Championship All Events makes that Championship too big and complicated for organizers and the Juniors do not receive the Media attention they deserve.

To give smaller federations a possibility to apply for a WCH, the WCH in the years 2020, 2024, 2028 for Juniors and 2021, 2025, 2029 for Seniors may be organized separately for the various disciplines. However, the WCH for juniors in the years 2022, 2026, 2030 and for Seniors 2023, 2027, 2031 will be organized at one location only to ensure that the tradition of having big WCH every four years will be continued.

Year	Championship	Comment
2020	2 nd Junior World Championship All Events	Junior events only, separate WCH possible
2021	53 rd World Championship All Events	Senior events only, separate WCH possible
2022	3 rd Junior World Championship All Events	Junior events only, one location only
2023	54 th World Championship All Events	Senior events only, one location only
2024	4 th Junior World Championship All Events	Junior events only, separate WCH possible
2025	55 th World Championship All Events	Senior events only, separate WCH possible
2026	5 th Junior World Championship All Events	Junior events only, one location only
2027	56 th World Championship All Events	Senior events only, one location only

If the 68th General Assembly approves the new World Championship calendar by amending Art. 3.2.2, the 68th ISSF General Assembly will then be asked to decide host federations for the following ISSF World Championships:

Championships to be decided if Art. 3.2.2 is amended		
Year	Championship	Comment
2020	Junior World Championship All Events	Junior events only
2021	World Championship All Events	Senior events only
2022	Junior World Championship All Events (one location)	Junior events only
2023	World Championship All Events (one location)	Senior events only

If, however, the 68th ISSF General Assembly does not approve the proposed change to the World Championship calendar, the current version of Art. 3.2.2 will remain and the General Assembly must decide host federations for the following ISSF World Championships:

Championships to be decided if Art. 3.2.2 is not amended		
Year	Championship	Comment
2021	Shotgun World Championship	Senior and Junior events
2022	World Championship All Events	Senior and Junior events
2023	Shotgun World Championship	Senior and Junior events

We request that any Member Federation that would like to be a candidate federation to organize any of these World Championships (for 2019 or for Championships in either of the above lists) to **send a Letter of Intent as soon as possible**. Candidate federations must also prepare and submit the documents required by ISSF General Regulations, Art. 3.2.6 and Art. 3.12.2.4 Annex "W." These regulations require Member Federations that want to organize a World Championship to **submit their complete proposals with all documents to the Secretary General at least one (1) month in advance** of the 68th ISSF General Assembly or not later than

29th October 2018.

If, for any reason, a Member Federation will not be able to participate in the 68th ISSF General Assembly with its own delegate, it may give its written proxy to another federation (ISSF Constitution, Art. 1.6.10). This rule requires that a proxy may only be given to another Member Federation and not to a person and that each federation can only carry proxy representation for one other Member Federation. If you plan to give your proxy to another federation, please provide your written proxy together with any related correspondence to the ISSF Headquarters (email: munich@issf-sports.org) in advance as soon as possible but latest until

23rd November 2018.

Concerning participation in the 68th ISSF General Assembly, we would like to remind all ISSF Member Federations about Constitution Article 1.3.11 (“A member is suspended from its rights by a delay of payments later than March 31st of the current year.”) Therefore, we kindly remind all ISSF Member Federations to be sure your membership fees are paid. The ISSF informs all ISSF Member Federations that **payments in cash for Memberships fees before and during the 68th ISSF General Assembly will not be accepted.** Therefore we urge all ISSF Member Federations to transfer any open membership fees to an ISSF account so that these membership fees arrive in the ISSF account.

To participate in the 68th ISSF General Assembly or to be registered as a proxy, all membership fees must be received by the ISSF before the 68th ISSF General Assembly.
