Ljubljana, 12.3.2022

To the ISSF and ESC Headquarter
Copy to all the ESC Member Federations

Dear Mr. President

The Shooting Union of Slovenia is committed to a policy of peace and condemns any form of war aggression (anywhere and at any time), considers it unacceptable and supports all calls by the International Olympic Committee.

The Shooting Union of Slovenia supports the swift response of the ISSF and the ESC, the withdrawal of the European Championship from Moscow, and the condemnation of the war by the President of the ISSF.

However, the Shooting Union of Slovenian considers that, in order to ensure the smooth and unhindered functioning of the ISSF and the ESC in the current situation, it is imperative that the Russian and Belarusian representatives in the leadership of the ISSF and the ESC immediately, honourably and voluntarily step down from their positions and leave the leadership of both organisations to the other already elected officials, pending the holding of a Ordinary Assembly or an Extraordinary General Assembly.

Sincerely,

Shooting Union of Slovenia
President Ljubo Gerič
